

HOTSHOT LID

Widely referred to as the “brain” of our big packs, our HOTSHOT LID is compatible with our HOT SPEED CAL SPEC. It offers additional storage space for essentials like batteries, a headlamp, snacks, flagging, or any of the myriad of mini items you need to carry on the line. Now featuring an admin pocket designed for notebooks, a folded IAP, maps, and other flat goods.

KEY FEATURES:

- 1 Low-profile admin pocket for notebooks, maps, IAPs, plus two pen slots
 - 2 Quick Attach buckles included for plug-and-play HOT SPEED compatibility
- Replacement part for HOTSHOT and HOTSHOT TL
 - Compatible with HOT 3 and HOT TOP
 - Works as minimal medical kit
 - Built of custom spec'd 500D CORDURA® with Teflon® and PU coatings for maximum durability, UV, and weather protection
 - YKK® #10 AQUAGUARD® coated zipper with nickel-plated slider provides weather-resistance and maximum durability

SPECS:
